THE FIVE VOWELS.

At school the master warned me that I never should forget
That there are just five vowels in
The English alphabet.
He said: "You must remember them:
You'll find it useful, too."
And then he said the vowels five
Were A, E, I, O, U.
Since I've grown up I've found that I
Can flourish and can thrive
With fewer than he told me of:
I do not need the five.
The fact is, three are quite enough:
So I've discarded A and E
And stick to I, O, U.

Both men reported to Chief Ort and explained that it was an accident and were let go. A coon dog, razor and revolver are indispensable adjuncts in the make-up of nine tenths of our colored population, and it's no wonder there is something doing at times.

The Stocking Question

Everybody wants stockings—dozens of people are buying them in Maysville today. Some of them may not know about Hunt's hosiery. They may be getting perfect satisfaction but are paying too much for it. Others are putting up with inferior stockings because they think they will have to pay more for better ones. Try a pair of our stockings at the price you usually pay and be convinced that quality-for-price finds its best expression here.

Beautiful Waists

THE PATIENCE OF JOB

Could Hardly Endure the Torment of Itching Piles.

Itching piles is constant torment—so is eczema.

No comfort all day, no rest at night. Can't keep your mind on work.

No use to go to bed. Suffer no longer; use Doan's Ointment. It gives relief in five or ten minutes. It cures in a short time—cures you to stay cured.

Maysville people endorse it. Mrs. S. F. Tolle, of 117 Short street, Maysville, Ky., says:

"Before I used Doan's Ointment, in March 1900, I had suffered for a long while with itching hemorrhoids. I had tried persistently to rid myself of the trouble but without success, and anybody who has known the tortures of this complaint will understand what I suffered. Doan's Ointment, procured at J. J. Wood & Son's Drugstore, cured me, as stated in a testimonial given at that time, and during the five years passed I have had no return of the trouble. It required only one box to bring this gratifying result. I have used Doan's Ointment for other purposes, and find that it is a specific for skin troubles and all itching diseases."

For sale by all dealers. Price 50 cents a box. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States.

Remember the name—Doan's—and take no substitute.
